Alma Mater

W. E. Dolde

Hail our high school in the vale.
Lead us on to wisdom's height.
None but thee can ever thrill.
All honor to the Blue and White.
To Alma Mater in her might.
Sing her praises loud and strong.
Our truest and our best we pledge.
Our minds and hearts to thee belong.

Memories light the corners of my mind
Misty water-colored memories,
Of the way we were . . .

Scattered pictures,
Of the smiles we left behind,
Smiles we gave to one another,
Of the way we were.

Can it be, that it was all so simple then,
Or has time rewritten every line.
If we had the chance to do it all again
Tell me, would we?, could we?

Memories may be beautiful and yet,
Ones to painful to remember,
We simply choose to forget.

So it's the laughter we will remember,
If we remember, the way we were,
The WAY WE WERE . . .

The Best of Times (Styx)

Tonight's the night we'll make history
Honey you and I
And I'll take any risk
To tie back the hands of time
And stay with you here tonight

I know you feel these are the worst
of times
I do believe it's true
When people lock their doors and
hide inside
Rumor has it it's the end of Paradise
But I know if the world just passed us by
Baby I know I wouldn't have to cry
The best of times are when I'm alone
with you
Some rain, some shine

We'll make this a world for two
Our memories of yesterday
Will last a lifetime
We'll take the best, forget the rest
And someday we'll find
These are the best of times

The headlines read
These are the worst of times
I do believe it's true
I feel so helpless like a boat against
the tide
I wish the summer winds could bring
back Paradise
But I know
If the world turned upside down
Baby I know
You'd always be around

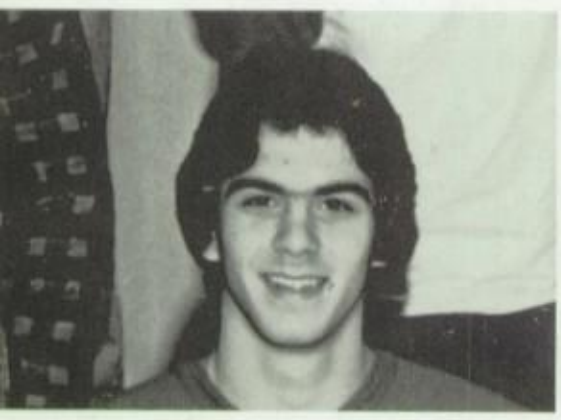
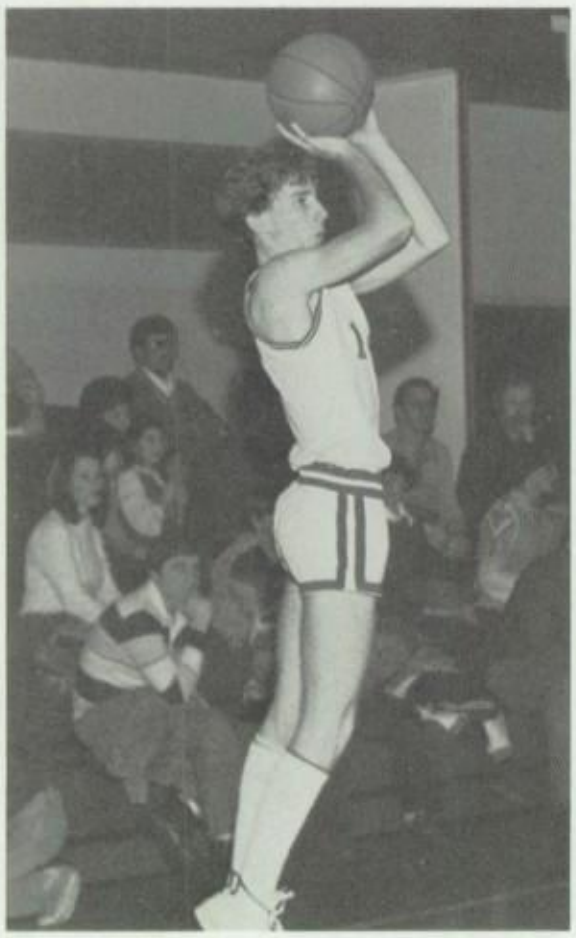
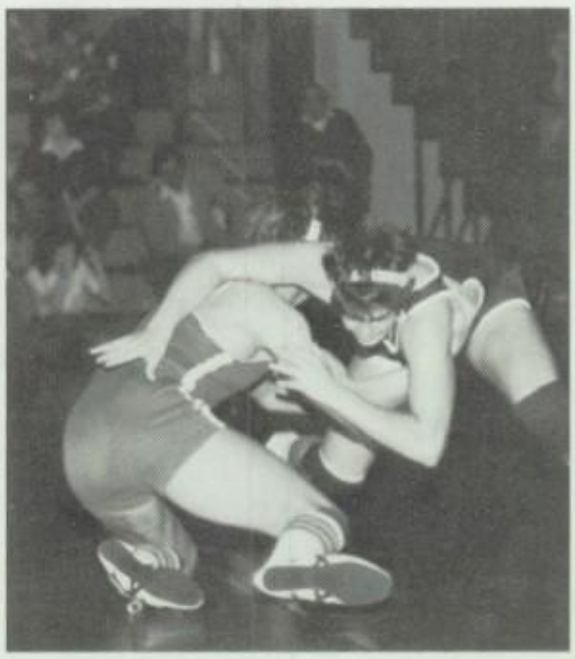
Life itself is brief
and yet each life encloses all eternity

We are, all of us
separately and
together engaged on
the same tough journey

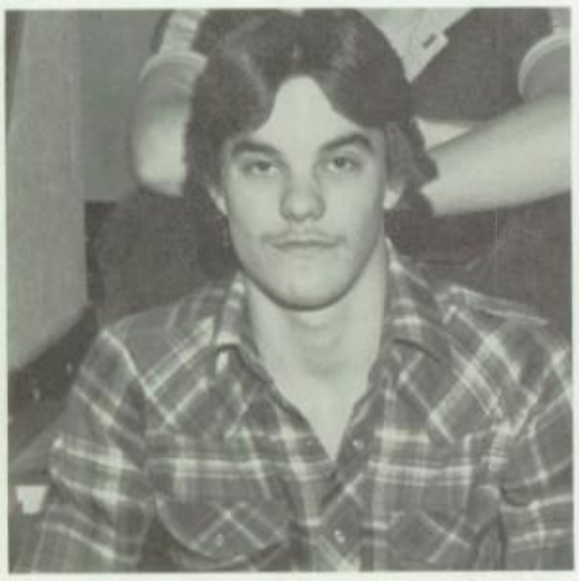


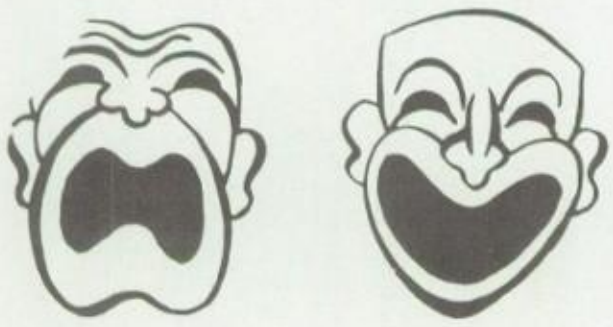


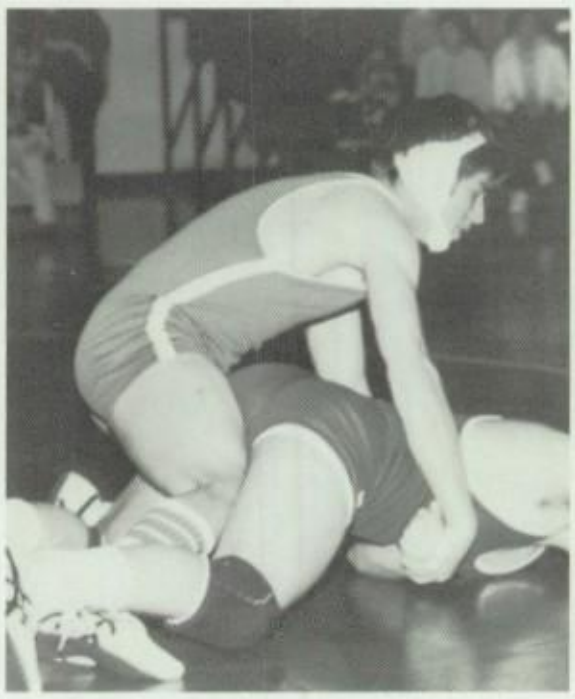


Each of us tastes of its joys . . .

and its sorrows







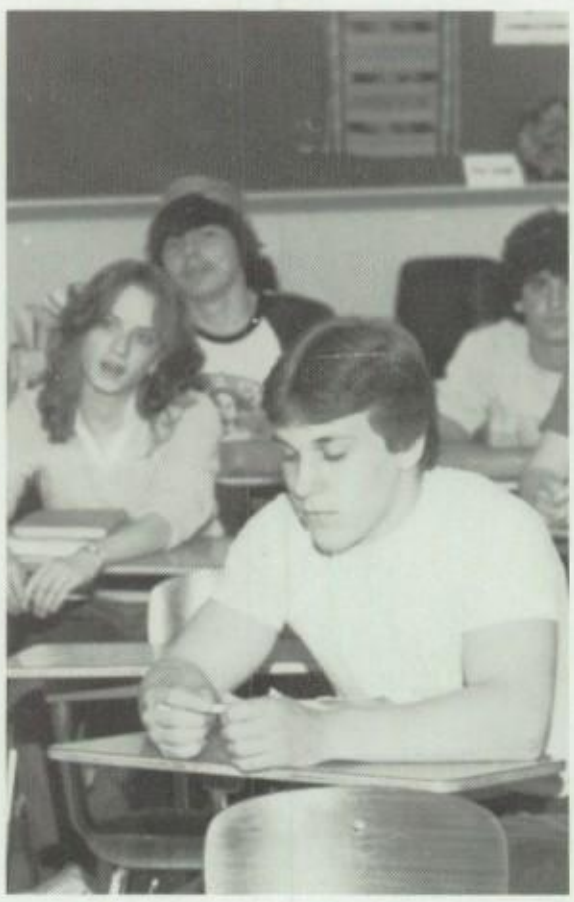
Each of us gets by as best as he can

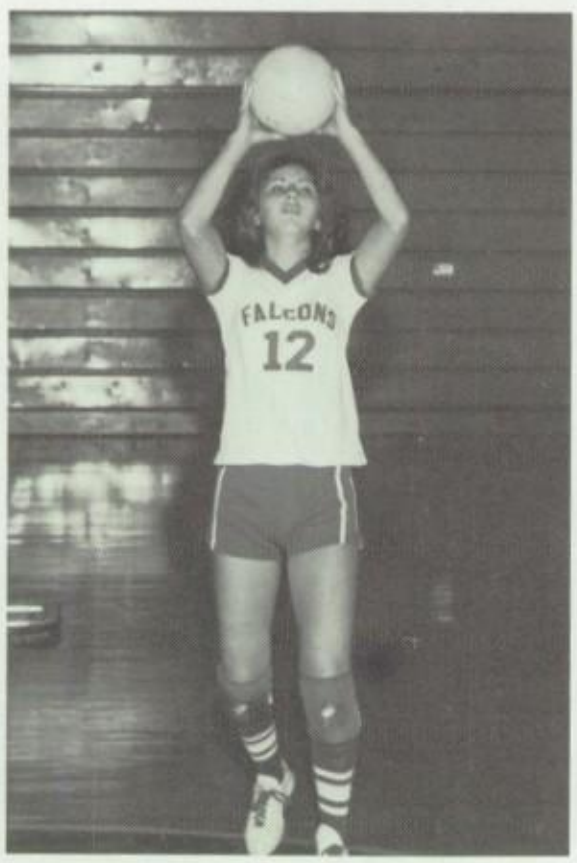
and we
must reach
out to
each other

Tentatively to touch . . .

with our hands

With our eyes





and with our hearts

We must wish for each other love and laughter,

smiles and sunshine.

I do my thing, and you do your thing. I am not in this world to live up to your expectations. And you are not in this world to live up to mine. You are you and I am I, And if by chance we find each other, it's beautiful.

Frederick S. Perls

Friendship is

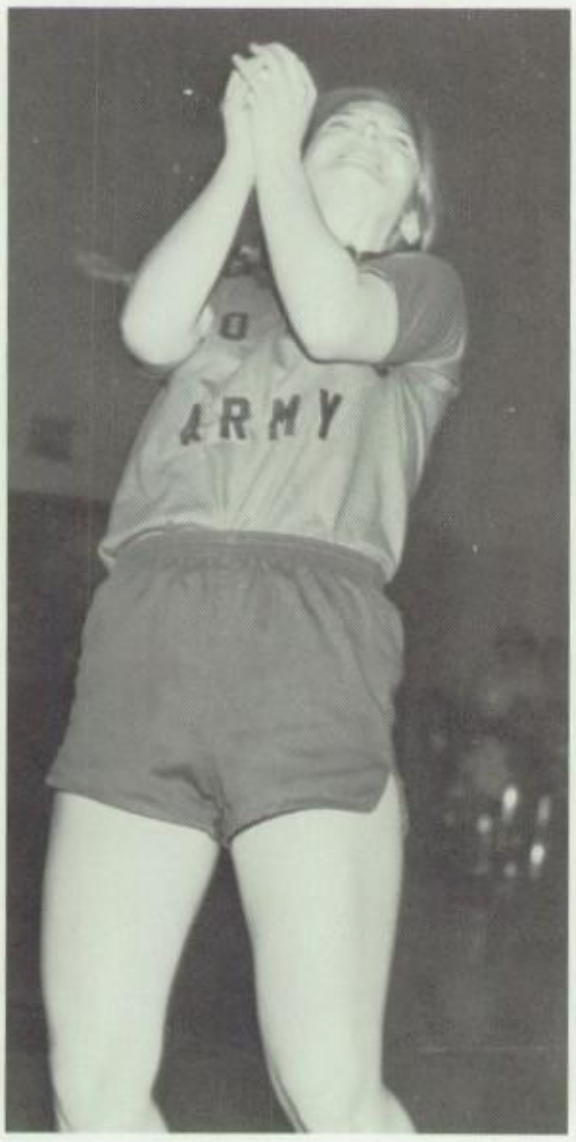
Look To This Day, Yesterday is already a dream, and tomorrow is only a vision, but today, well lived, makes every yesterday a dream of happiness and every tomorrow a vision of hope.



Go boys, go boys,
Go all the way.
Fight boys, fight boys,
Fight 'em today.
We're gonna fight with all our might.
We're gonna win this game tonight.
Rah! Rah! Rah!

Go boys, go boys,
Go all the way.
Fight boys, fight boys,
This is our day.
We're gonna V-I-C-T-O-R-Y,
Victory for Connellsville High!

Jones

The 1980-81 Boys' Basketball team had a very beneficial season. Though our over-all win and loss record of 10 wins and 12 losses does not indicate such, the future looks bright as this year's squad worked hard and performed well in many instances through out the season.

The coaching staff and underclassmen wish our seniors the best of luck in their future endeavors.

My thanks to everyone for such a fine effort.

On

Success is not only measured by wins and losses but also by self-achievement and individual dedication in athletic performance. The CAHS Girls Track team has succeeded by this measure. The girls weathered a rough season of Section III competition, but were not without some outstanding individual performances. These girls helped to form a nucleus of highly motivated athletes who served as inspiration to other team members on and off the field.

Whip It Good

The 1981 Connelsville Falcon Baseball Team won the W.P.I.A.L. Section 3 Crown in a play-off game against Belle Vernon.

Advancing to the W.P.I.A.L. play-offs, the Falcons won the opening round game against Penn Trafford. In the semi-finals game, Connellsville lost to Bethel Park.

By beating Penn Hills, the guys then moved into competition in the State Play-offs.

During the States, Connellsville won two upsets — one against Peabody and one against Shaler. In the semi-finals game, Connellsville lost to State College.

Turn

1981 was a good season for the softball team. We learned a lot, generally played well, and had some lucky breaks at just the right time. I hope our graduating senior athletes continue to have success in softball. I'm honored to have had the opportunity to coach them to CAHS's first section championship. With the same combination of learning, playing, and luck — plus some help from the junior high and the mini-league, we should be battling for a section title again in '82.

Winding Road

We started the season with 50 boys trying out for the different events. Most of these boys stayed with us through out the season. We only had 3 seniors on the squad; therefore, the team was very young and inexperienced. The Soph. and Jr. boys greatly matured during the season, which means that we should be a lot stronger next spring.

Robert Hawk made a second trip to the state competition this season and finished 3rd in shot-put and 10th in the discus. He hopes to work harder and win a gold medal in both events next spring.

On December 19, 1980, Executive Council sponsored an "Almost Anything Goes" to raise money for Children's Hospital. There were three teams of seniors and three teams of faculty. There was a tie between Zeke's Freaks and Sue's Crew. Some students volunteered to dress up as clowns and collected money from the audience. Three gingerbread houses were auctioned off by a professional auctioneer. On February 6, 1981 a tug-o-war was held between Zeke's Freaks and Sue's Crew to break the tie. Zeke's Freaks emerged victorious.

What a Night!

A happy queen and her court.

The girls and their escorts take a ride on the float.

Tammy and Dave are all smiles.

Jamie, J.J., Becky, and Dean wish they had coats on this chilly night.

Jodi and John take a stroll down the field.

The float makers take a bow.

On October 31, one could hear the cheers and applause as Tammy Firestone was crowned queen and Kristine Szabo, Jamie Kostik, Becky Martin, and Jodi Whipkey were named as members of the court.

Later at the Falcon Stadium the cheers turned out to be for the Falcon football team as they defeated Laurel Highlands. The queen and her court were presented to the audience at halftime. They also were taxied around on a float made for them by some junior girls. This night was also Senior Night. Parents were presented with their senior offspring at the beginning of the game. This year's homecoming was an exciting event.

Pro-Attitude

Pro-Attitude Members

Members That Made Scrapbooks

It is up to the members of pro-attitude to be behind the C.A.H.S. Athletes 100%. They paint signs to hang in the gym to promote spirit, and they make scrapbooks for the senior members of all the C.A.H.S. sports teams. They also sell candy to raise money. All in all, they are a group of hard working girls who really deserve a lot of credit for their time consuming efforts to spread a "pro-attitude" feeling throughout the school.

Sign painting day

The C.A.H.S. Cheerleaders are a busy group of girls. Their job is to promote spirit throughout the school and to cheer our guys to victory. They also paint signs for the gym and put on pep assemblies. The girls worked hard at summer camp to be up on the latest mounts, cheers, and routines. They held various fund raisers such as car washes. The wrestling cheerleaders participated in a spring fasion show put on by the Parents' Wrestling Association. These girls deserve a lot of credit for their energy, enthusiasm, and loud voices!

After many long hours of hard work, everything was ready for the prom. The night of the 15th of May was very exciting as couples danced to the music of "Magpie." To everyone's surprise they turned out to be a fantastic group. The atmosphere was set with the theme of "An Evening In Paris." The decorations were those of various French Scenes.

Then it was off to the post prom. Music was provided there by the group "Wounded Spirits." Later that night, one by one, tired couples left Hidden Valley to find adventures of their own.

"We cannot know how much we learn
From those who never will return,
Until a flash of unforeseen
Remembrance falls on what has been."

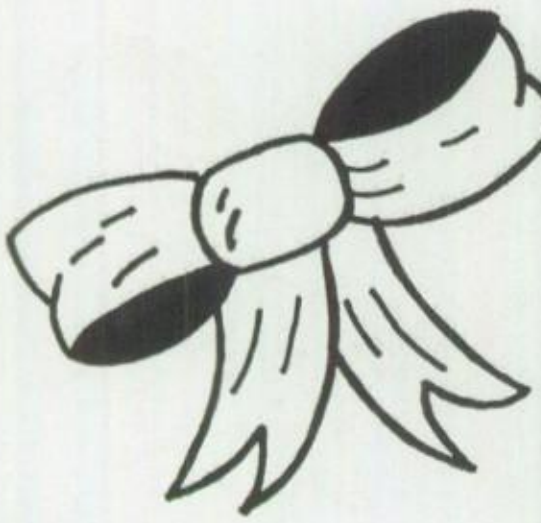
from *Flammonde*
by Edwin Arlington Robinson

In Memory of Mr. Joseph Correal who passed away in December after serving the Connellsville School District for many years.
He is sadly missed by the students and faculty.

Yellow Ribbon Day:

On November 4, 1979, the American Embassy in Tehran, Iran was seized by militant student demonstrators.

The American Legion Post #301, Symphonic Band, and Concert Choir held an assembly on December 10, 1980, to commemorate the long struggle and to show loyalty to the hostages. Yellow ribbons were worn by the student body and faculty to symbolize America's wait for the captives. Speeches were made by Mr. Allen Q. Jones, past judge advocate of the Veterans of Foreign Wars, Mayor James Wagner, and Mt. Pleasant's Mayor William Potoka. A yellow ribbon was presented to Mr. Wagner by Mr. Potoka. The mood was set by the patriotic songs performed by the band and chorus.



On January 20, 1981, the ordeal came to an end. Iran freed the fifty-two United States hostages after 444 days in captivity.

Take Time . . .

Take time
to look at rainbows
and dream a dream
or two

Take time
to think
of all the things
Life promises for you . . .

Take time to live
take time to love

Take time
to hear and see

But first of all
and most of all
Take time to BE

(Just Like) Starting Over

John Lennon

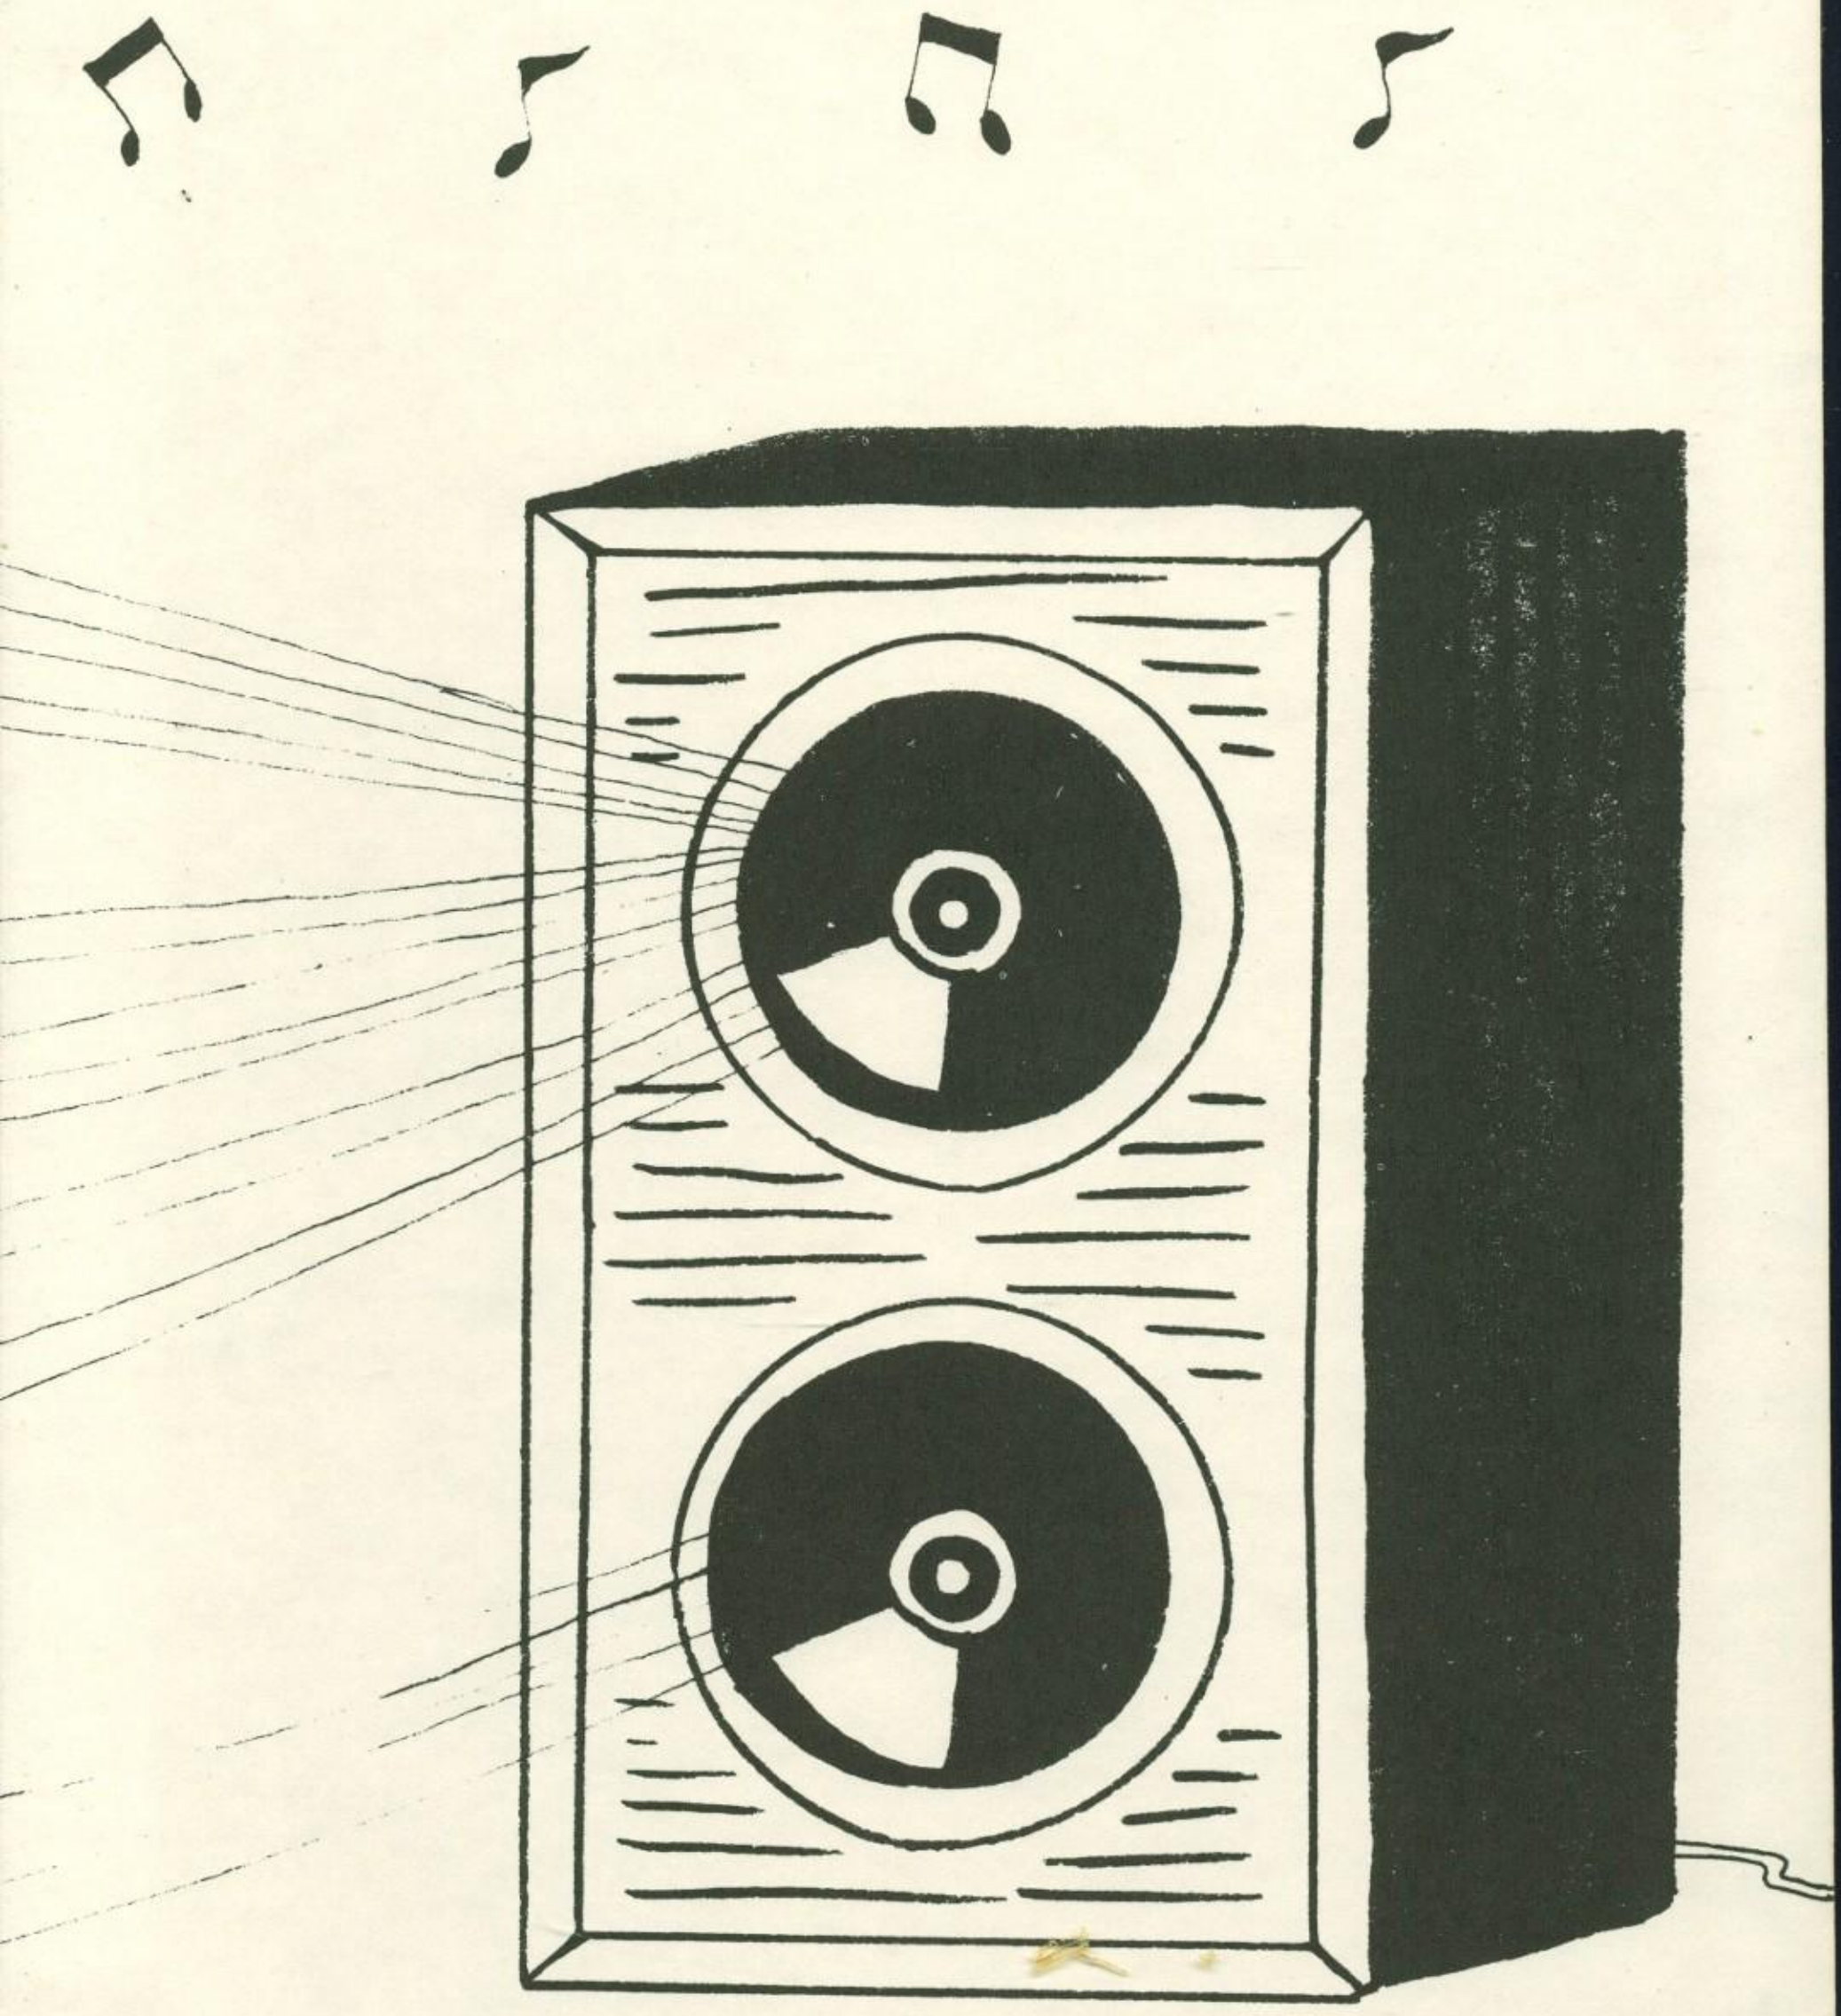
Our life, together, is so precious, together,
We have grown, we have grown.
Although our love, is still special,
Let's take a chance and fly away,
Somewhere alone.

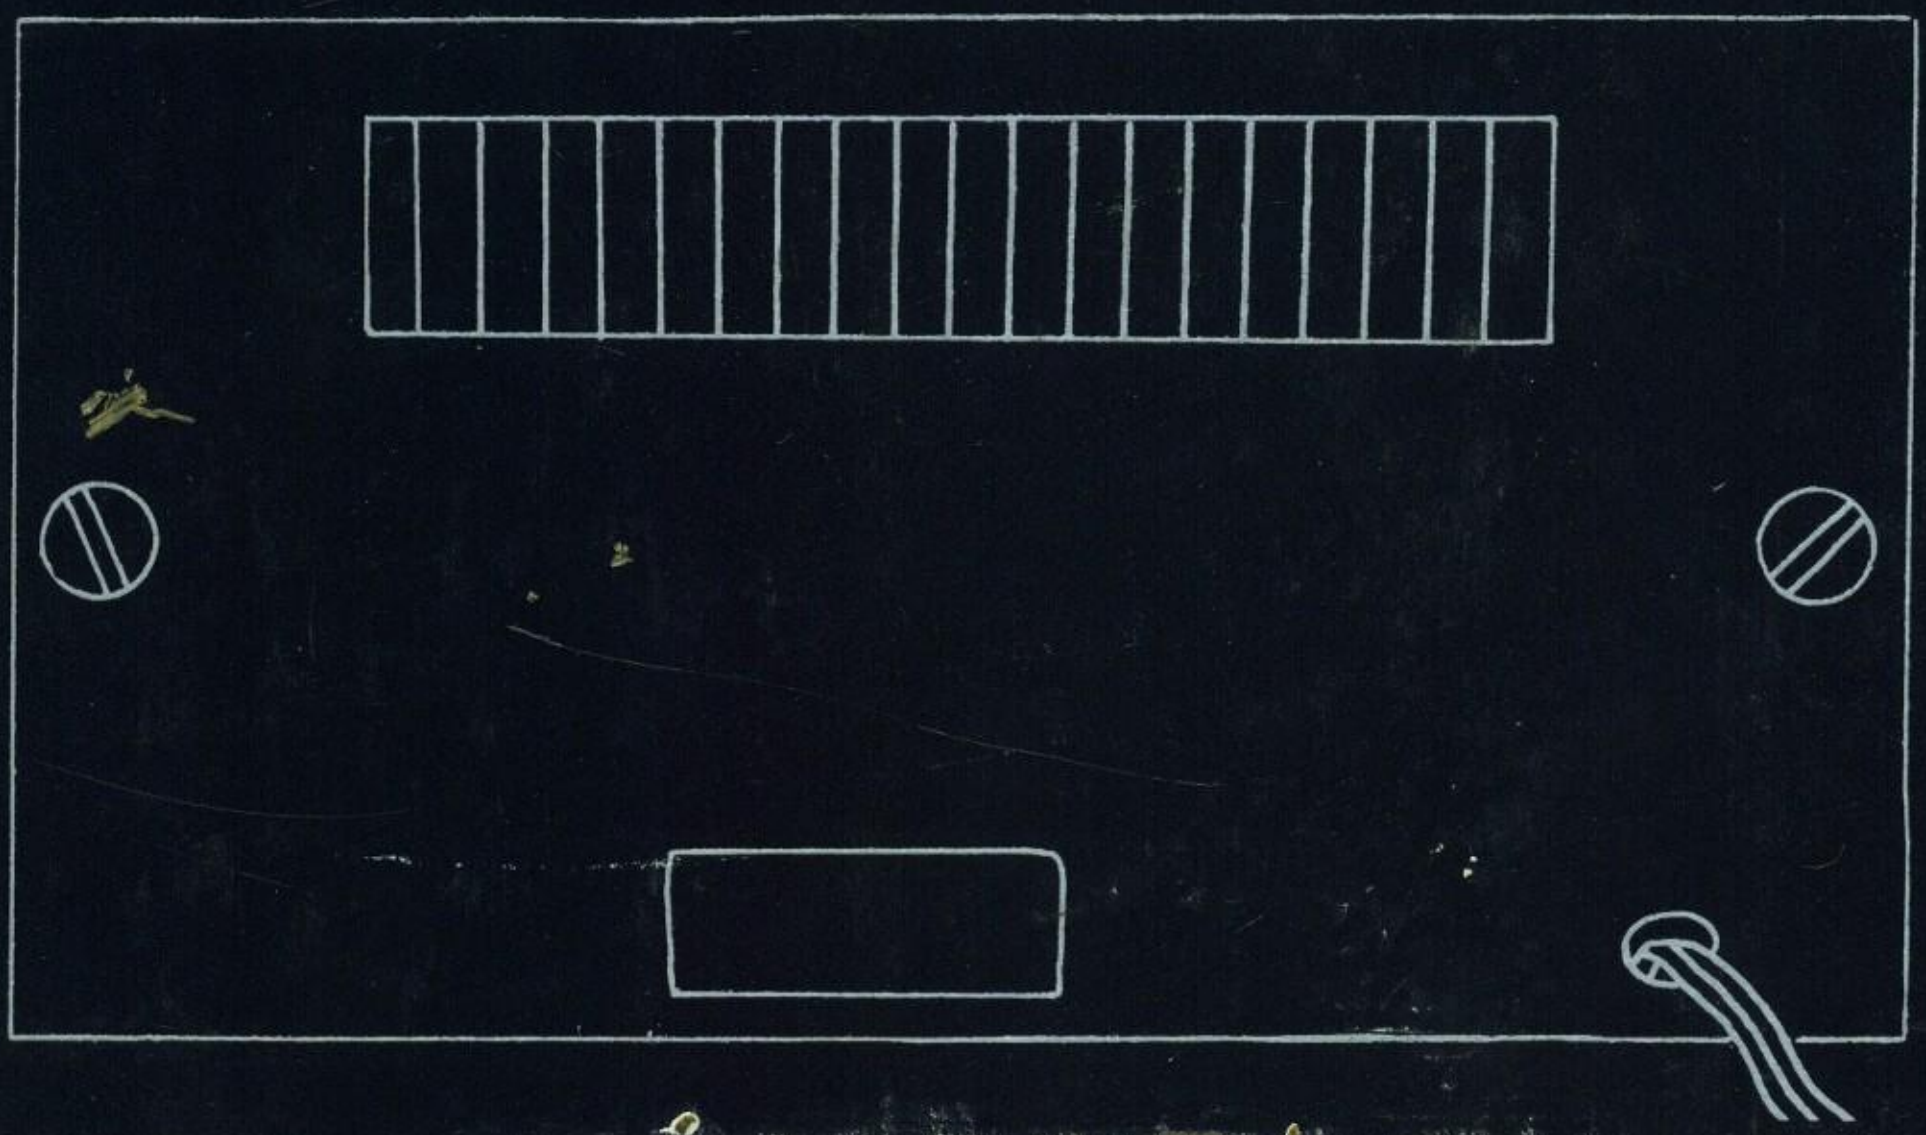
It's been too long since we took the time.
No one to blame, my how time flies
So quickly, but when I see you
Darling, it's like we both are falling
In love again, It'll just be like
Starting over, starting over.

Every day we used to make it love.
Why can't we be makin' love nice and easy?
It's time to spread our wings and fly.
Don't let another day go by, my love.
It'll be just like starting over, starting over.

Why don't we take us alone,
Take a trip somewhere far, far away
We'll be together all alone again like
We used to, in the early days, well
Now darlin'

It's been too long since we took the time.
No one to blame, my how time flies
So quickly, but when I see you
Darling, it's like we both are falling
In love again, It'll be just like
Starting over, starting over.

Our life, together, is so precious, together,
We have grown, we have grown.
Although, our love is still special
Let's take a chance and fly
Away somewhere.




Over . . . Starting over . . .
Ooo . . . Over . . .
